**AUTHORIZATION FOR REMOVAL OF
RESIDENTIAL METER**

Dear Customer,

You must be the property owner to complete this form. This information will be verified by the property appraiser's website prior to a work order being issued. Hernando County Utilities requires written notification to pull a meter and to terminate services.

I, _____ hereby authorize Hernando County Utilities to remove the meter at the following address, _____ . I understand that it is my responsibility for paying current hook-up fees should the meter be re-installed at a later date.
