### General Information for Customers of Residential Garbage Collection Service

---

Residential Trash Service is provided by  
**Republic Services at (800) 282-9820**  
Please call to set up curbside service or  
for questions regarding your service.

### **Garbage and trash containers**

- Garbage containers shall be of galvanized metal or plastic and shall be maintained in a clean and sanitary condition, free of cracks and holes, and be leak-proof, rodent-proof, and prevent the escape of odors.
- Containers shall be provided with tight fitting lids to prevent rainwater from accumulating in and weighing down the container.
- Individual garbage containers shall be a maximum forty-five (45) gallon capacity.
  - All cans over ten-gallon capacity shall be equipped with hand grips on opposite sides of the container.
  - All cans of ten (10) or less gallons shall be equipped with a bail handle.
  - Both handles and bails shall be adequate to support the weight of a full container without bending or breaking.
- Areas where garbage containers are kept shall be maintained in a clean sanitary manner, free of spilled garbage, wastewater and odors.
- For reasons of general health, safety and welfare, sanitation and community appearance, it shall be unlawful for any person to accumulate any solid waste for a period in excess of seven (7) days.

### **Set-out procedures**

- Residential pick-up service is limited to a total of three (3) containers, bags, or bundles, or equivalent amount, per pickup.
- Containers and bags, including content, are not to exceed fifty (50) pounds each.
- Bundled yard trash is limited to bundles not in excess of fifty (50) pounds and four (4) feet in length. Branches/limbs cannot exceed four (4) inches in diameter.
- Customers shall place containers of solid waste within six (6) feet or as near to the paved, improved or unimproved roadway abutting the customer's property as safely possible, no later than 6:00 a.m. on the days designated for collection.
- Such curbside placement shall be made by customers no earlier than 6:00 p.m. on the day prior to the day of the designated collection and containers must be removed by the end of the day that the garbage was collected.
- Customers must contact the franchise company to request removal of bulk waste and receive special instructions. Refrigerators/freezers will only be picked up after certified removal of freon. The annual number of bulk waste collections per household is four per year. Additional collections or large quantities may require an additional fee.
