

DEPARTMENT OF THE TREASURY
WASHINGTON, D.C.

July 18, 2019

Mr. Jeffrey Rogers
County Administrator
Hernando County
20 North Main Street, Room 230
Brooksville, FL 34601-2817

Dear Mr. Rogers:

We have reviewed the amended Multiyear Implementation Plan from Hernando County submitted on May 31, 2019 and deemed complete on July 8, 2019. We find that the Hernando County Multiyear Plan Amendment #1 is complete and appears to conform to the RESTORE Act and regulations. As of the date of this letter, Treasury accepts Hernando County's Multiyear Plan, which includes the modification of one previously accepted project (Linda Pederson Park Improvement) and the deletion of another (Hernando Beach Shallow Water Reef) for a total of \$586,000.00 of the Hernando County Direct Component allocation in the Gulf Coast Restoration Trust Fund (Trust Fund).

We will post all accepted Multiyear Plans and Amendments on Treasury's RESTORE Act website. In addition, please post Multiyear Plan Amendment #1 on your County website and provide us with the web address so we can include the link on the Treasury RESTORE Act website.

Treasury's acceptance of Multiyear Plan Amendment #1 is not a final determination of the eligibility of activities, projects, and programs for Direct Component funding and does not bind Treasury to obligate funds from the Trust Fund. The County must submit an application for Direct Component funding separately through GrantSolutions.gov. Treasury will review the application to determine if the requested funding complies with the RESTORE Act and regulations, and Federal law and policies on grants. Applicants may submit applications only to seek funds already available for distribution from the Trust Fund, in accordance with allocations established under the statute. In the future, whenever there is a material change in the Multiyear Plan, Hernando County must follow the requirements for an initial Multiyear Plan, including those for public review and comment. For more information, see the RESTORE Act Direct Component Guidance on the RESTORE Act website.

We look forward to working with you. Please send any questions to restoreact@treasury.gov.

Sincerely,

Laurie McGilvray
Program Director
Office of Gulf Coast Restoration
