## ELIGIBILITY

***Please refer to the instructions for assistance in completing the proposal.***

Agencies in a non-compliance status with any current funding agreement with Hernando County, as determined by HHS, are not eligible to apply under this RFP.

CDBG funding may only be used to provide reimbursement for eligible public services/programs (including salaries and benefits, supplies, materials and other program delivery costs).

Projects must provide a new service or a quantifiable increase in the current level of service and demonstrate that new or increased funding does not merely replace other state or local government funding for an existing service.

**Provided whether the proposed service is either** (check one):

- ☐ A new service  
\* A project is considered new if the proposed project or service has never been funded by Hernando County under Public Services in response to this RFP
- ☐ A quantifiable increase in the level of a service
