

2026

Dear Hernando County Residents:

Coastal Waste, in partnership with Hernando County, is pleased to be your environmental solutions provider for curbside collection of trash, yard waste, recycling and bulk waste. Please review our 2026 collection guidelines to ensure you get the most from your curbside collection service. Thank you for your cooperation and being a valued Coastal customer!

If you have any questions about your service, please contact Coastal Waste & Recycling at **(352) 741 - 5494** or email us at hernandocounty@coastalwasteinc.com

Effective January 2, 2026, residential curbside collection is provided by Coastal Waste & Recycling (Coastal) in all unincorporated areas of the county, which excludes the City of Brooksville.

County residents can call Coastal at **(352) 741-5494** for questions about their service.

You may email at: **hernandocounty@coastalwasteinc.com**

Residents with curbside service receive twice per week pickup of household trash, once per week pickup of recycling and once per week pickup of yard waste except for designated holidays.

CURBSIDE PICKUP

Containers: Each residential unit has one blue cart to use for garbage collection. Only waste inside the blue cart with the lid closed, will be collected. Any garbage left outside of the blue cart will not be collected. Excess trash may be saved for the next collection day or taken by the resident to the county drop off center.

Excess trash: Most household trash will fit easily in your cart. Residents who frequently have excess waste should consider reducing waste through recycling. Curbside recycling is included in your service with once-a-week collection of paper, cardboard, plastics, aluminum, and tin.

Excess Trash – Prepayment

Options: For larger quantities of trash, yard waste or bulk items, or to request a second cart, please call Coastal at **(352) 741-5494** for pricing and pre-payment options before setting the trash at the curb.

Bag Your Garbage: All trash should be bagged prior to being placed in the cart as loose trash may get blown by the wind when the cart is picked up.

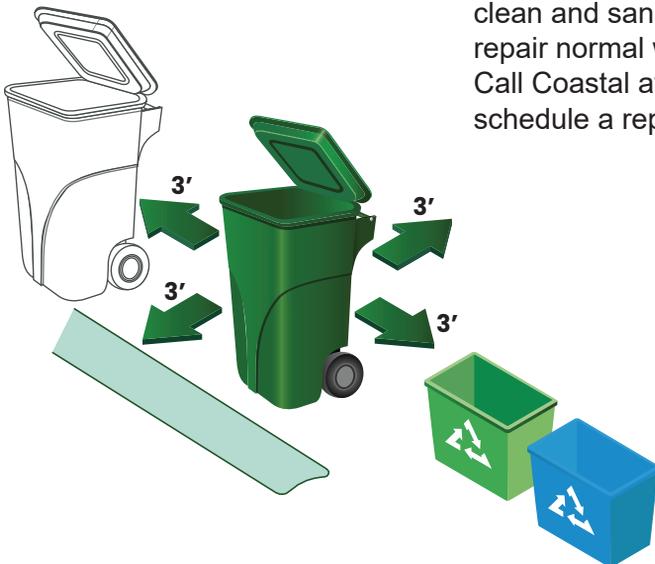

Put a Lid on It: Cart lids must be closed to prevent scavenging of animals and to prevent rainwater from collecting in the container while awaiting collection. This also prevents garbage from becoming spilled during the collection process.

Contact Coastal at
(352) 741-5494 or visit:
[www.coastalwasteinc.com](http://www.coastalwasteinc.com/Hernando-County/)
/Hernando-County/ to
request your recycling bins.

Placement: The automated arm used to collect the carts requires clearance for your cart to be picked up. Carts should be placed at least three feet from the curb with the arrows facing the street and the handle facing away from the street. Do not place cart in the street. The lid must be closed. Carts should be placed at least three feet away from other obstacles, such as mailboxes, cars, and other carts, and should not have any overhead obstructions, such as powerlines or tree limbs. Carts that are not properly placed may not be serviced.

Placement Restrictions: Curbside placement shall be made no earlier than 6 p.m. on the day prior to the designated collection day and carts must be removed by the end of the day garbage is collected.

FOLLOW THE 3FT RULE

Residential Collection Service will be performed after 6:00 a.m. and conclude by 8 p.m. unless authorized by the County.

Prohibited Items: Do not place recycling, yard waste, red bag medical waste, needles, hazardous waste, paint, chemicals, motor oil, liquids, dead animals, hot ashes, large car parts, tires, car batteries and/or construction debris including bricks, blocks, or large pieces of wood, in your cart. Please contact Hernando County Solid Waste at **(352) 754-4112** for information on the proper way to dispose of these items.

Commercial Trash: Commercial Waste is not collected curbside. Please take all commercial waste to the Northwest Waste Management Facility for disposal. Appropriate tipping fees will apply.

Cart Maintenance: Customer is responsible for keeping container clean and sanitary. Coastal will repair normal wear and tears only. Call Coastal at **(352) 741-5494** to schedule a repair.

BULK WASTE COLLECTION

Customers are entitled to six (6) bulk waste collections per calendar year, upon request of the customer.

1. Each pickup may consist of a maximum of one (1) set or ten (10) items or two hundred cubic feet (200 ft³). A set is a furniture arrangement that is typically purchased together.

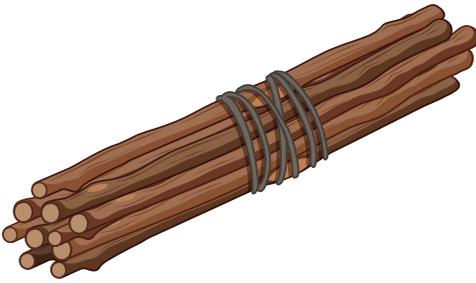

For example, a dining room set might include a table, chairs, and hutch. A bedroom set might include a bed, dressers, and nightstands. A living room set might include a couch, loveseat, chair, end tables, and coffee table. A set shall be picked up whole regardless of the number of pieces or cubic feet.

Customers may request Collection of additional items beyond the stated limits and will pay Coastal directly for the additional service.

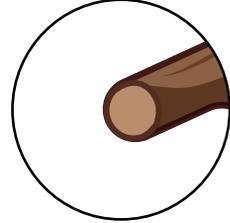

2. Bulk Waste shall be collected at Curbside within seven (7) business days after the Customer or the County requests Coastal to collect such materials.

YARD WASTE COLLECTION

↑ 4 feet ↑

Maximum diameter - 4 inches
Maximum weight - 50 pounds

Yard waste is recycled and should be kept free of trash. Customers provide their own containers. Paper bags, cans and tied bundles preferred. Plastic bags will be emptied and left behind for disposal by resident.

Yard Waste shall be collected at Curbside at least one (1) time each week from Customer supplied containers, bags, or tied bundles. Yard Waste must be free of Solid Waste.

Yard Waste is limited to fifteen (15) items that may include any combination of containers, bags or tied bundles.

Items are currently limited to a maximum of fifty (50) pounds, four feet (4') in length and four inches (4") in diameter. Customers may request collection of additional containers, bags or tied bundles beyond the stated limits and will pay Coastal directly for the additional service.

HOLIDAY SCHEDULE

When a customer's scheduled Collection Day is a Holiday, collection will take place on the next regularly scheduled collection day for that customer.

There are currently four designated holidays:

- New Year's Day
- Independence Day
- Thanksgiving Day
- Christmas Day

The County reserves the right to change or add to the designated Holidays.

Frequently Asked Questions

Why did a truck drive by my house and not pick up?

For safety reasons, our crews collect one side of the street at a time. If you see a Coastal truck driving through your neighborhood without stopping, it may belong to a different route or trash pickup day.

What are my pickup days?

Pickup dates can be found at www.coastalwasteinc.com/Hernando-County.

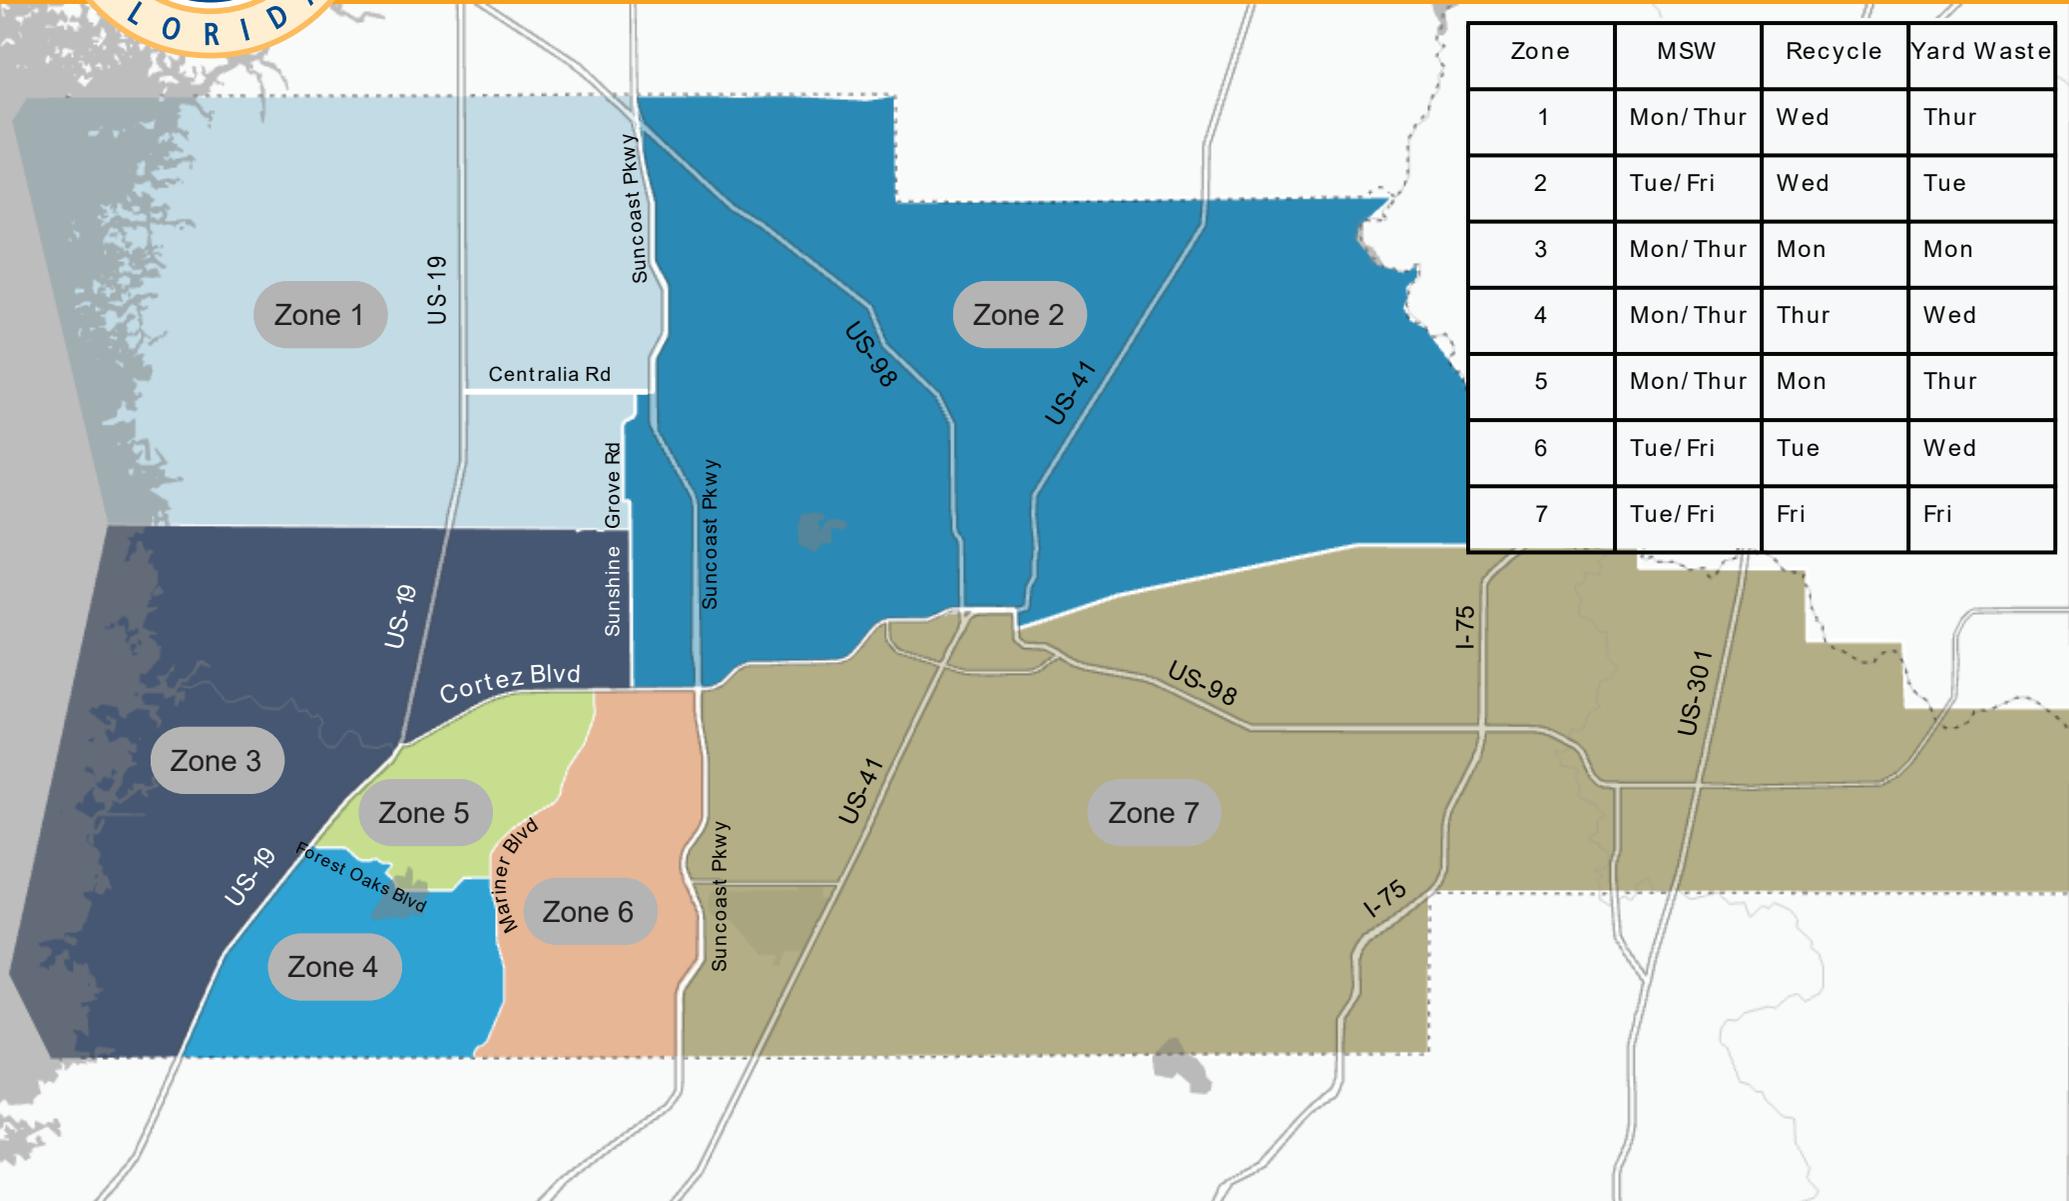

What if I have extra trash?

Please call customer service to arrange pick up.
