Hernando-Citrus MPO List of Priority Projects (LOPP) TRANSPORTATION ALTERNATIVES (TA)

MPO Board - Adoption June 4, 2026

| Prior Year Priority # | FPN (If Applicable) | Project Name | From | To | Jurisdiction/ Area | Status of Application | Consideration Factors(s) | | | | | | |
|-----------------------|---------------------|---|----------------------------------|-----------------------|-------------------------------|--|--------------------------|--|--------------------|---|-------------------|--|---|
| | | | | | | | Proximity to School(s)? | Proximity to Commercial and/or Transit | Approximate Length | Estimated Cost | Funding Source(s) | Project Ready to Receive Funding (Y/N) | Right-of-Way Acquisition Needed/Proposed? |
| 1 | 450592-1 | California St. / Powell Rd. - Sidewalk | Spring Hill Dr. / California St. | Powell Rd./Rowan Rd. | Hernando County | Application Submitted 2022; Per FDOT PE funded last cycle for FY27 | Yes | Yes | .95 mile | \$584,000 | Transp Alt Funds | Yes | No |
| | | <i>Excerpt from submitted application:</i> Along California Street between Spring Hill Drive and Powell Road, the Hernando County School system has a bus complex, high school and elementary school. There are residential areas located proximate to the complex and the added sidewalk will provide better/safer pedestrian access to the schools as well as some of the commercial businesses in the area. A sidewalk along California Street from Powell Road to Sandusky has been constructed, and from Spring Parkway to California Street along Powell Road. A sidewalk is also constructed along Spring Hill Drive. | | | | | | | | | | | |
| 2 | | N Independence Hwy-PS/Sidewalk (Design Only) | E Gulf to Lake Hwy (SR 44) | N Florida Ave (US 41) | Citrus County | Application Submitted 2025 | No | Commercial at each end; no transit proximity | 2.4 miles | \$5.29 Million | Transp Alt Funds | | No |
| | | <i>Excerpt from submitted application:</i> The sidewalk will connect to an existing pedestrian facility along SR44 and extend to US41 with an interconnection to a current and recently rehabilitated Rails to Trails facility. The surrounding neighborhood is currently growing and mostly residential in nature with Commercial establishments at the North and South ends (US41 & SR44; respectively). Anticipated improvements include the construction of a five (5) to six (6)-foot-wide concrete sidewalk within the existing rural section right of way (ROW). Due to existing ROW limitations, the sidewalk may need to be constructed along alternating areas along the road; as such, closed drainage, lighting and ped-crossing improvements may be required. Maintenance would be responsibility of Citrus County and/or City of Inverness for respective jurisdictional areas. School bus stops exist along the Independence. Should homeowners be solicited for public support? | | | | | | | | | | | |
| 3 | | Sunshine Grove Rd. - Sidewalk | Ken Austin Pkwy. | Hexam Rd. | Hernando County | Application Submitted 2022 | Yes | Yes | 1.38 miles | \$1.07 Million | Transp Alt Funds | | No |
| | | <i>Excerpt from submitted application:</i> There is a school complex on Ken Austin Parkway which includes an Elementary, Middle and High School. There is a signalized intersection at Ken Austin Parkway and Sunshine Grove Road. A sidewalk has been constructed on the west side of Sunshine Grove Road from Cortez Blvd to Ken Austin Parkway, and a small piece on the west side from Ken Austin Parkway to Sun Road. This project would complete the sidewalk along the entirety of Sunshine Grove Road providing pedestrian access into the school complex. Ownership and maintenance of sidewalk is responsibility of Hernando County. On 4/23/26, Transit Administrator Darlene Lollie noted the implementation of a bus route on Sunshine Grove Road resulting in proximity to transit for a consideration factor. | | | | | | | | | | | |
| 4 | | Three Sisters Springs Connector - Multi-Use Trail | US 19 / Kings Bay Drive | CR 486 | Citrus County (Crystal River) | No for Trans Alt Funding Application | No | No | 2.4 Miles | \$2.67 Million plus PD&E (\$400,000), Right-of-Way, Trail Easements, Potential Wetland Mitigation | Transp Alt Funds | | Yes (for Segment 2) |
| | | <i>Excerpt from submitted application:</i> On May 9, 2017, the Citrus BOCC and City of Crystal River chose Alternative Route 1 for the route of the multi-use trail. Since there was not enough funding to move forward with the entire trail concept, the Board chose to move forward with a segment (Three Sisters to US 19 and/or Kings Bay to US 19 connecting to Jim Legrone Park). This project is listed on the Sun Coast Transportation Planning Alliance's Regional Multi-Use Trails Priority List of Projects (May 23, 2025 edition). Previous County Incentive Grant Funding (CIGP) application submitted; however, project did not receive award. | | | | | | | | | | | |

TRANSPORTATION ALTERNATIVES (TA)

MPO Board - Adoption June 4, 2026

| Prior Year Priority # | FPN (If Applicable) | Project Name | From | To | Jurisdiction/ Area | Status of Application | Consideration Factors(s) | | | | | | |
|-----------------------|--|--|----------------------------|-----------------------------|--------------------|----------------------------|--------------------------|--|--------------------|----------------|-------------------|--|---|
| | | | | | | | Proximity to School(s)? | Proximity to Commercial and/or Transit | Approximate Length | Estimated Cost | Funding Source(s) | Project Ready to Receive Funding (Y/N) | Right-of-Way Acquisition Needed/Proposed? |
| 5 | | Cobblestone Dr. - Sidewalk | Pinehurst Dr. | County Line Rd. | Hernando County | Application Submitted 2022 | No | Yes | .61 mile | \$511,744 | Transp Alt Funds | | No |
| | <i>Excerpt from submitted application:</i> The project improvements include design, construction and construction engineering inspection services/materials testing for a 5' wide concrete sidewalk along Cobblestone Drive from Spring Hill Drive north to Pinehurst Drive. The length of the sidewalk is approximately .61 miles. The construction of this sidewalk would provide safe pedestrian access to neighborhood amenities and commercial areas for the residents living in the surrounding areas. Ownership and maintenance of sidewalk is responsibility of Hernando County. | | | | | | | | | | | | |
| 6 | | Good Neighbor Trail (GNT) - Rehabilitation | Jefferson St. | Jasmine St. | Hernando County | No Application | | | | | Transp Alt Funds | | |
| 7 | | W. Linden Dr. - Sidewalk | Spring Hill Dr. | Mariner Blvd. | Hernando County | Application Submitted 2016 | | | .74 mile | \$367,151 | Transp Alt Funds | | No |
| | <i>Excerpt from submitted application:</i> Construct a five-foot wide sidewalk along the north/east side of Linden Drive From Mariner Boulevard to Spring Hill Drive a distance of approximately .74 miles. This project will be administered by Hernando County and the Engineering Department under its Local Agency Program (LAP) authority. This project will serve to provide pedestrian amenities in a residentially developed area. Maintenance of sidewalk is responsibility of Hernando County. | | | | | | | | | | | | |
| 8 | | Rock Crusher Sidewalk | W. Homosassa Trail (CR490) | W. Gulf to Bay Hwy (SR44) | Citrus County | No Application | | | | | | | |
| 9 | | Amero Ln. - Sidewalk | Anderson Snow Road | Spring Hill Drive | Hernando County | Application Submitted 2016 | No | No | 1.5 Miles | \$454,061 | Transp Alt Funds | | No |
| | <i>Excerpt from submitted application:</i> The project was recently added to the Transportation Alternatives Priority List as it was seen as a needed connector between the residential development to the west and Anderson Snow Park to the east. This project was established through the joint efforts of the Bicycle/Pedestrian Advisory Committee (BPAC), the MPO's Technical Advisory Committee (TAC), and the Metropolitan Planning Organization. The project is owned and will be maintained by Hernando County. | | | | | | | | | | | | |
| 10 | | E. Vine St.& E. Gospel Is. Rd.- Sidewalk | N. Apopka Ave. | W. Gulf to Lake Hwy (SR 44) | Citrus County | No Application | | | | | | | |
